To whom it may concern:

It is with great pleasure that I am writing this letter of recommendation for Jayla Frasz, a young athlete who has been part of Elite Basketball Training Academy for the past five years. As her mentor and coach, I couldn't be any prouder of how far she has come as an athlete, but most importantly as a young woman.

Our organization prides itself in building character with our athletes, and I have had the humble experience to watch Jayla grow as a young leader and role model for our players and the community at large. Jayla is a smart and driven young lady who has worked hard over the past few years to reach her goals, and I am certain she will continue to do so.

Jayla has never shied away from any challenges, and she has done it while maintaining high academic grades, and being a remarkable athlete on the basketball court.

Jayla has been a joy to coach and I couldn't ask for a better person to have in my program. She makes everyone around better, and her kind, passionate, and generous personality brings the best out of all of us.

I am looking forward to the positive impact she will continue to make, and will closely follow her journey wherever life may take her.

I am certain that she will be successful in her new life chapter and she has my highest recommendation.
